Re: Aegis / Risco Nottingham

Dear Tony

I would like to put into writing a thank you for the continued support I have received from all your Branch staff over the last year or so. They are all very informative, helpful, and reliable. They always do their best to sort out any issues that may arise and it is appreciated.

As you are aware we are a very busy company and your efforts certainly assist us with our operation here.

It's very easy to forget to inform companies when they supply a good service, so please take this as a thank you for the way RISCO and especially your branch have reacted to our requirements.

Yours sincerely

Neil Jackson

Operations Manager
