Dear Sam

I would like to place on record my appreciation of your Sales Team who are extremely helpful and have often managed to get me out of difficulties on more than one occasion.

Although my main contact is Katy Berry and Amy Lowe I would also like to thank John and all the other people I have had less contact with over the last five or six years.

Once again thanks for an excellent service and keep up the good work.

Yours Faithfully

Marsden E Scourfield
Office Manager
