Dear Risco Group.

After now dealing with yourself for 18 years I wish to put pen to paper to thank you for the service that you have provided for all those years. I have found your product to be top class with delivery and expertise second to none. I wish to also thank Amy in sales who without doubt is a credit to your company and is worth her weight in gold, nothing is a problem where she is concerned. I would also like to thank Sam and John who I have had many dealings with on their expertise and the guys in technical who on occasions we have had to use their know how.

To you all at Risco
Well Done

Kind Regards
Andy Horth
Managing Director
