Subject:	RISCO Group UK	Pages:	1 in total

We have been dealing with RISCO Group UK for a number of years and as a result of the strength of our relationship we have we now use RISCO Group UK for all our domestic installations.

It is not only the reliability of the products that has impressed me but also the great level of service that they provide. It seems that no issue is too small to be dealt with effectively and professionally.

I would recommend the RISCO range and the level of service that they offer.

Ashley Day
Contracts Manager – Security.
